Annual Reporting Cards - 1957
Officers - CA(SR)

- 1 Reference is made to your letters WO 3061-4/1 (Rec O) dated 5, 13 and 20 Mar 57.
- 2 Your feelings on receipt of a card concerning an officer who has been released are appreciated but this may not be avoided at present. Deletion of officers from CA(SR) lists prior to promulgation of intended action led to a situation whereby many officers had CA(SR) status but were unlisted. At present an officer is normally removed from the list only when the entry is promulgated. This sometimes leads to the despatch of a reporting card to an officer whose release is pending and when the card is returned signed it is rather awkward. The present situation is, however, considered the lesser of two evils.
- 3 You will understand that cards are despatched to all officers whose particulars are recorded at the date cards are prepared. At no time will it be possible to prevent despatch of a reporting card when the order showing the release is received after the cards have been despatched. Every effort is made to finalize entries received prior to the date cards are despatched.
- 4 TB 23490 Capt G.F. Durst is one of the officers with CA(SR) status who had not been appearing on CA(SR) lists. His card is returned as he will be carried on West Ont Area list in future. Additional information may be available from Central Command, otherwise it must be obtained from Capt Durst.
- 5 TB 24098 Maj C. Mooney formerly served with a CA(M) unit in Central Ont Area. He will appear on West Ont Area list when CA(SR) lists are next prepared. His reporting card has been forwarded to Central Ont Area.
- 6 AHQ records agree insofar as the information received concerning the remainder of the officers referred to in your letter and appropriate action has been taken. The following officers who signed and returned a reporting card have been released from the CA(SR):

7 Enclosed are the annual reporting cards returned by the officers listed at para 6 above. The release of each of these officers has been promulgated in supplements to CACs and may not be cancelled. These officers will not appear on the next CA(SR) list of West Ont Area. There is no AHQ objection to the enrolment of these officers and appointment to the CA(SR) effective the day after their release. A CAFB 287 is not required in support of the enrolment in these cases. A CAFB 1636 is required but these need not be newly created as the form previously in use is still acceptable.

EXPLANATION OF ITEMS A, B & C

1. The War Service Grants Act, 1944 provides for the payment of the War Service Gratuity for every thirty days of service as follows:—

- (i) \$7.50 in respect of service which is not classed as overseas service.
- (ii) \$15.00 in respect of service classed as overseas service.

By regulation, each person qualifying is entitled to a gratuity of \$7.50 for each completed period of 30 days of service together with an additional sum of 25 cents for every day of overseas service **which falls within such periods**. No sum is payable for any day of service over and above the last completed 30 day period.

2. An "ineligible day" is any day of overseas service, rendered after completion of the last 30 day period, for which no additional sum of 25 cents per day is payable.
3. In addition, a supplement is payable for service classed as overseas service equivalent to seven days' pay and allowances, including dependents' allowance and subsistence or lodging and provision allowance at standard Canadian rates for each six months of overseas service and proportionately for a period of less than six months. By regulation, "six months" is considered to mean "183 days".
4. For the purpose of computing benefits under the Act, no period of absence without leave or leave of absence without pay, or time served while undergoing sentence of penal servitude, imprisonment or detention, or period of service in respect of which pay is forfeited is included in determining qualifying service.
